

Wenling Lu

Master's Student in Digital Education · Financial Background

Wenling.Lu26@student.xjtlu.edu.cn | Xi'an Jiaotong-Liverpool University

SUMMARY

Financial intern turned Digital Education master's student, passionate about the intersection of finance, technology, and education. With hands-on experience in financial data processing and a background in Internet Finance, I am now expanding my expertise in digital learning technologies to bridge the gap between financial services and educational innovation.

EXPERIENCE

Sep 2025 — Dec 2025

Financial Intern

Guangzhou Yijian Financial Enterprise Service Co., Ltd.

- Assisted the department in daily financial data organization, customer information archiving, and basic market information collection.
- Participated in the sorting and preliminary analysis of financial product data, understanding the business models and compliance processes of internet finance platforms.
- Learned to use office software to efficiently process spreadsheets and documents, improving workplace collaboration and execution.
- Deepened understanding of the operational logic of the financial industry, clarifying future career development directions in fintech or financial services.
